2026 Industry Partner Member Benefits

IECRM Contractor Members turn to Industry Partners for advice and services they need to effectively manage their businesses. As experts in their trade, Industry Partners are essential to elevating the excellence within the IECRM community. IECRM provides exposure opportunities for Industry Partners through membership benefits, sponsorship, and providing a host of events to meet with the hundreds of IECRM Contractor company representatives, both virtually and in-person. Our Industry Partners receive excellent exposure to nearly 220 current electrical contractor companies that are members of the Rocky Mountain Chapter of IEC, and 3,500 students annually enrolled in campuses in Northglenn, Ft. Collins, South Denver, and online.

WHY should I sponsor?

Sponsoring IECRM events associates your brand with a reputable, industry-leading organization. This builds credibility and increases trust with potential clients and partners. It shows that your company is committed to the industry's growth, education, and development, positioning your brand as a leader or a supporter of the electrical community.
